Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for the Laker Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Kathy Dickens for assistance.

The AER is available for you to review electronically by visiting the following web site [www.lakerschools.org](http://www.lakerschools.org), or you may review a copy in the main office at your child's school.

Laker Elementary is working hard to improve student achievement in Science and Social Studies which were weak areas on both the MEAP and recent M-Step. We have increased student access to science and social studies textbooks and literacy materials. We have also worked hard to increase time spent on science and social studies instruction.

State law requires that we also report additional information for the most recent two years.

1. Laker Elementary is the only elementary in the Laker School District.
2. The Laker Elementary School Improvement Plan was recently updated in 2015.
3. Lakers has no specialized elementary school.
4. Laker Elementary follows the Michigan State Common Core, which is posted on the school website under the elementary tab.
5. Laker Elementary NWEA Scores show success in Math and Reading Common Core Standards as compared to national norms.

6. Laker Elementary has had over 95% parent participation in both 2014-15 (97%) and 2015-16 (95%).

It is with great pleasure that the Laker Elementary staff continues to deliver a strong academic and extra-curricular program to Laker Elementary students.

Sincerely,

Kathy Dickens  
Laker Elementary Principal
